[More jobs from this company](#)

Mandoe is a world-leading digital signage company located near the QVB in Sydney's CBD.

Our technologies include web-canvas animation, Angular/Typescript, smart TV apps, Android and iOS apps, and node.js.

We are looking for an experienced coder with good front-end skills and an interest in graphics to join our elite team of developers.

You will need

- Intimate knowledge of HTML, CSS, and JavaScript.

- Several years experience developing applications using web technologies.

- Some familiarity with Angular/TypeScript, graphics and animation,

Android java, server-side node.js, Git, and Jira.

- Suitable candidates with strong JavaScript skills will be trained in Angular/TypeScript.

- Excellent English language communication skills, both verbal and written.

We are offering

- A competitive salary for suitable candidates

- Freedom and respect to challenge and improve our technology choices

- Flexible work hours and working from home.

- This role is open to applicants from NSW, QLD, VIC and SA

About us

We are a market leader in providing technology-based advertising solutions to Australian businesses, big and small. Our mission is to become the world leader in digital signage

PLEASE ONLY APPLY IF YOU HAVE FULL WORKING RIGHTS IN AUSTRALIA.

Employer questions

Your application will include the following questions:

Which of the following statements best describes your right to work in Australia?

How many years' experience do you have as a front end software developer?

Have you worked in a role which requires CSS development experience?

Have you worked in a role which requires HTML development experience?

Have you worked in a role which requires JavaScript development experience?
